<b>Description of the location</b>	
(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)	
<p>Streets Meadow is a purpose built residential home situated in the middle of Wimborne town. The Home overlooks the Wimborne Minster and is an integral part of the Wimborne community.</p> <p>The home is on two floors (1<sup>st</sup> floor accessed via a lift) and totals sixty beds. We have two specialised dementia units and two frail elderly units. All rooms are an appropriate size for a care setting and have ensuite wetrooms and there is a minimum of two rooms with overhead hoists on each floor. The Home also has the facility of a garden and a separate sensory garden which enhances the quality of life for residents with a dementia disease.</p> <p>The home aims to provide care for people over 65, but may consider admission of a person under 65 if a thorough assessment supports this and enables the Registered Manager to confirm the home can meet the individuals needs/outcomes.</p> <p>Staff receive regular supervision and are well trained to look after the residents and are motivated to provide Person Centred Care so that each individual resident's care is tailored to their preferences and choices.</p> <p>We have the support from three GP surgeries and there is a weekly Occupational Therapist's visit to assess the needs of any residents with mobility problems.</p> <p>District Nurses visit every day to attend to residents.</p> <p>There are numerous trips organised by the Activity Officers and annual trips to the Tivoli Theatre.</p> <p>The Home has been awarded Beacon Status under the Gold Standards Framework for end of Life Care. This enables our service users to remain at the Streets Meadow until the end of their lives if that is their preferred choice.</p>
