| <p>Description of the location</p> <p>(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)</p> <p>Castleman House is a purpose built residential home, located in a quiet residential area of Blandford in North Dorset. The home has 48 single bedrooms, which are all located on the ground floor. The accommodation is divided between five units, which we refer to as cottages, we have 4 cottages with 10 bedrooms and 1 with 8. Every cottage has its own sitting and dining area, with kitchen facilities, adapted bathrooms and two separate toilets located in the bedroom corridors. One cottage has recently been extended to provide a more spacious communal area for the residents. Situated throughout the home are various seating areas and large and medium size communal lounges, there are also extensive gardens that can all be accessed easily and safely by the residents. There are no en-suite facilities at Castleman House, however each bedroom has its own vanity unit. Two bedrooms have overhead hoists and there is a varied supply of moving handling equipment to meet the needs of the service users who are more physically dependent.</p> <p>All staff are trained to a high standard and are able to provide appropriate care to people with care needs, confusion, memory loss or dementia. The home aims to provide care for people over the age of 65, but may consider admission of a person under 65, if a thorough assessment supports this and enables the Registered Manager to confirm the home can meet the individual's needs/outcomes. We work closely with professionals in the care sector such as General Practitioners, Occupational Therapists, Community Psychiatric Nurses and Health staff to support service users with these needs.</p> <p>The home promotes Person Centred Care planning and integration in every day events within the home. Our Activities Officer creates programmes using a person centred approach for all residents enabling her to meet needs of the individual person. Namaste sensory sessions are available for those service users who need them.</p> <p>The home has been awarded Platinum Status under the Gold Standards Framework for end of Life Care. This enables our service users to remain at Castleman House until the end of their life if that is their preferred choice</p> |
