Sidney Gale House is situated close to the popular town centre of Bridport and within easy reach of the picturesque harbour at West Bay. Our clients have access to a west facing garden area with seating, accessed via patio doors from one of the ground floor lounge areas

The accommodation is arranged over three floors with a passenger lift providing access to the first and second floor if required. There are a range of adapted toilet facilities, shower rooms and bathrooms located throughout the home with some bathrooms fitted with overhead hoisting equipment. All of our bedrooms are designated for single use. Communal lounges offer a choice of seating and on the ground floor there is a large lounge area used for activities. We also provide other moving and handling equipment to ensure we can assist our clients to mobilise and transfer safely

All of clients have an individual personalised care plan which is developed in partnership with them and, if appropriate, family members, enabling staff to offer care using a focussed person centred approach.

Sidney Gale House provides a varied activity programme tailored to meet the needs of our clients. Outings occur regularly to local venues and a range of activities are offered in the home including musical entertainment, games, film afternoons, crafts and flower arranging.

All of our staff are fully trained to a high standard in line with national guidance. We encourage staff to maintain and continually develop their skills and knowledge. Staff hold a range of qualifications relevant to their role including Diplomas in Health and Social Care and leadership qualifications.

We work closely with community health and social care professionals including District Nurses, GP's, Occupational Therapists and Psychiatric Nurses.

Sidney Gale House is accredited by the national Gold Standards Framework for End of Life Care enabling us to support our clients to stay within the home at the end of their life if this is their preferred choice
